PETITION TO WITHDRAW ABANDONMENT

Under 37 CFR 1.181 and/or 1.137, applicant hereby petitions to withdraw the Notice of Abandonment mailed September 1, 2004 (copy enclosed). The application was abandoned on the grounds that the issue fee was not paid.

The undersigned, applicant's attorney of record, first became aware of the abandonment on September 10, 2004, upon receipt of the Notice of Abandonment, and submits that this petition to withdraw the Notice of Abandonment is being promptly submitted as required by 37 CFR §1.8(b)(1).

Applicant respectfully requests withdraw of the Notice of Abandonment on the grounds that the Notice was never received (MPEP 711.03(c)(I)(A)).

The following documents are submitted as proof that the Notice of Allowance mailed April 12, 2004 was never received:

1. A copy of Fish & Richardson's docket record, indicating where the non-received Office communication would have been entered had it been received and docketed.
2. An original signed declaration by David J. Goren, attesting on the basis of personal knowledge that the Office Communication was never received.
3. A response to the Notice of Allowance. The copy of the Notice of Allowance was generated by accessing the PAIR system after receiving the Notice of Abandonment.

Attorney's Docket No.: 09464-027001

The entire delay in filing the required reply was unintentional.

In summary, the delay from July 12, 2004 until September 10, 2004 was caused by a failure to receive the Notice of Allowance; the delay from September 10, 2004 to September 22, 2004 to filing of this petition occurred in the preparation of this petition, including verification that the Notice of Allowance had never been received.

Applicant respectfully requests that the Notice of Abandonment be withdrawn.

Please apply any charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

DECLARATION OF DAVID J. GOREN

I, DAVID J. GOREN, declare as follows:

I am a principal of the law firm of FISH & RICHARDSON P.C. and an attorney/agent of record in the above matter.

I first became aware of the abandonment of the above patent on September 10, 2004, upon receiving the Notice of Abandonment.

I never received the Notice of Allowance mailed on April 12, 2004, for which a response was required.

I have searched the file jacket to confirm that the Notice of Allowance was not received. After I searched the file jacket, I printed a copy of the Notice of Allowance by accessing the PAIR system.

The attached docketing report shows that Fish & Richardson P.C. did not receive the correspondence mailed on April 12, 2004. When Patent Office correspondence is received, it is directed to a docketing clerk. The docketing clerk accesses our computer docketing system and creates a record for the correspondence. The docketing clerk enters the title of the correspondence (in the ACTION field) and mailing date (in the BASE date field). In addition, any associated deadline is also entered (in the DUE date field). Had Fish & Richardson P.C. received the Notice of Allowance, an entry having a date of 10/12/04 would appear in the DUE date field (at the arrow between the existing entries of 9/13/04 and 11/1/04).
